Education/Benefits of admission: The USMMA is a four-year, tuition-free federal service academy founded in 1943 to educate and train merchant marine officers, officers on active duty in the armed forces, and leaders in the maritime and inter-modal transportation industry. It is an accredited, degree-granting college whose students are commissioned as ensigns in the Navy upon graduation. Tuition, room, board, medical and dental care are provided by the U.S. government. Each midshipman receives a monthly salary while assigned aboard ship for training. Entering freshmen are required to deposit \$5695 to defray the initial cost of computer equipment and activities fees
